The Greenwood Report

September 2009

Within the last month, details have been worked out for me to go to Turkey again, and from there to foray into Northern Iraq. I'll be leaving in just a few days, on Sunday the 27th and returning October 17th. This outreach tour is another in conjunction with Turkey Afri-Asia Creative Outreach (TACO), a division of Operation Mobilization. As with my trip last year, I'll be sharing the billing with the World Champion unicyclist, Dustin Kelm.

While I'm gone, I intend to send out brief email updates once or twice a week, depending on the availability of internet access. If you received this newsletter via email, you are already on this list. Otherwise, if you would like to receive these general updates, send me an email note at greenwood@andrekole.org and I'll add you to the list.

I'll be posting more detailed, more frequent (if possible) reports, complete with photos, at "craiggreenwood-travel-log.posterous.com". This is a blog type of site where you will be able to leave comments if you like. Because of the potentially sensitive nature of my reports, it will be necessary for you to provide a password in order to see these posts. The password is: "narnia-nineveh".
