

The Greenwood Report

July 2011

Window Rock VBS

We participated again this year in taking a Vacation Bible School program up to Window Rock, Arizona, on the Navajo reservation. Sheila oversaw the meals for the 63 member team, and I was in the daily drama and a leader for the 5th grade group (pictured).

This was the 7th year in a row that this group has done this, and if numbers are any indication it appears that the community is becoming more and more accepting of it. This year there was a record attendance of 176 kids. Seventeen indicated decisions to receive Christ, six prayed for assurance of salvation and many others just wanted to talk about "real life" issues.

✝ Please join us in praying for growth for those who trusted Christ, and for the Holy Spirit's work in those who will.

Campus Crusade's Staff Conference

Mid-month we shall be heading out to Ft. Collins, Colorado, like we do every-other-year, to join all the other U. S. Staff for 10 days of Campus Crusade for Christ's "family time".

We are looking forward to hearing how God is directing our leadership, stories of encouragement of how God is working, and getting recharged for how God is leading us individually in our respective ministry areas. (It will be nice to escape the heat for a while, too.)

✝ Please pray that we will experience God's presence and leading while we participate in this concentrated time of seeking Him in fellowship with other CCC staff.

Shocking Drop

When I sat down to write this newsletter I had no intentions to mention finances. But, I just happened to look at our account balance for an unrelated reason, and realized that last month we had \$2,000 less in investments than our monthly average for the year. Wow! Now, the amount in our account which we were going to use for Staff Conference has been depleted by our basic expenses and is not available for use in a few weeks. And, unless something dramatic changes in the other direction real soon, we will be at risk of getting short paychecks next week.

✝ Please join us in praying for God's direction and/or intervention in this surprising situation.

And more of the Same

I'm still making and shipping out Three-Ball Illustrations and Pocket Gospel Illustrations. Speaking of the Pocket Gospel Illustration, the Pocket Gospel Illustration web site should be done near the end of August.

Yours for helping reach the world,

Craig for Sheila and family
