Friday Night Meetings

Friday night meetings are the foundation for our relationships with students. They are planned to be fun while providing meaningful content. In the last two months meetings included:

- A talk on Guy/Gal Relationships - including a talk about God's purpose for marriage
- A Talent Show - A fun time giving the students an opportunity to do something for the group
- A volunteer testimony and a short film about a young lady who runs away and ignores communication initiated by her father, followed by discussion groups.
- A short talk by a Chinese pastor about the importance of understanding Christianity in order to understand Americans, then a fun time carving pumpkins.
- The Comedy and Magic of Craig Alan Greenwood - complete with an illustrated gospel presentation and "pray with me" opportunity. Wow - of the 40 students in attendance seven indicated receiving Christ, and another 14 said they would like to meet with someone to learn more about having a personal relationship with God!
- A skit that explained the meaning of the American Thanksgiving
- A talk about Evidence For The Existence of God

Vision Conference

During these last few months we have been making a big push for students to attend the Vision Conference. This is a conference the week after Christmas for international students from all over the country. Last year it was attended by more than 600 students from dozens of countries. It was a great time of learning, worshiping, hearing from speakers (often in their native languages), talent show, New Year's Eve party, etc. Last year one of our ASU students trusted Christ at the conference.

This year the conference will be in Daytona Beach, Florida. Eleven students have already signed up to attend. To help encourage the students to go, we are helping them by covering \$200 of their conference costs. But we need to raise the money to cover these scholarships. Would you prayerfully consider investing in the students who go by helping us to raise part of these funds?

If God leads you to help with a gift of \$250, \$100, or any amount, you can give online by going to give.cru.org, then in the search window type 2863532 (Arizona State Bridges Scholarship). Or you can mail your gift, made payable to *Cru*, to me at my address at the top of this letter, and I'll get it to the right place. For planning reasons it would be helpful to know of your gift in the next two weeks.

I know this is in addition to all that you are already doing, and I appreciate your consideration. However God leads, please pray that He would raise up students to go, and the funds to help them.

All His Best,
