## PHILIPPINES OUTREACH

This week Sheila and our youngest, Joshua (15), returned home from a short term missions trip to the Philippines. They were part of a 9 member team from our church who went to help out on the Logos Hope, one of the ships operated by Operation Mobilization ([www.om.org/en/what-we-do/ships](http://www.om.org/en/what-we-do/ships))

More details are to come in a future newsletter; or to learn about it sooner and see more photos, visit [www.greenwood-updates.posterous.com](http://www.greenwood-updates.posterous.com)

## ESTONIAN IMPACT

*"I was very impressed last night by Andre Kole's show, but what touched me the most was how evangelical the show was. Andre illustrated the Gospel by using a light bulb. I will always remember this and so will all of my friends that came with me. Andre made people think and he shared the facts about God. I am very grateful for this opportunity and that so many Estonians heard about Jesus."*

One of the coordinators for our time there passed along the comment above from an Estonian pastor who invited 50 non-Christian friends to see Andre's show.

We performed for, and shared the gospel with more than 6,000 people during the 4 programs we did in Tallin. It is estimated that 2,200 Estonian versions of Josh McDowell's book, *More Than A Carpenter*, were given out after the shows.

# What Do You Believe?

## ‘Nones’: the fastest growing religious category

What is a “none” you ask? A “none” is someone who does not have any religious affiliation - now making up one fifth of the American population. This is according to a poll by the Pew Forum on Religion and Public Life which was just released in October.

When “nones” are asked what they believe in, the answer is essentially ‘a little bit of everything, but nothing in particular’.

THE NUMBER OF AMERICANS WHO DO NOT IDENTIFY WITH ANY RELIGION CONTINUES TO GROW AT A RAPID PACE. ONE-FIFTH OF THE U.S. PUBLIC – AND A THIRD OF ADULTS UNDER 30 – ARE RELIGIOUSLY UNAFFILIATED TODAY, THE HIGHEST PERCENTAGES EVER IN PEW RESEARCH CENTER POLLING.

Reports like this illustrate the importance of the movie we are making - “The Supernatural Project”. In it we interview dozens of the world’s most celebrated magicians, illusionists, and magical inventors who share the

inside secrets of the deception that continues to grow around us. Then, from that foundation, we deal with supposed phenomenon which does not merit our belief, as well as consider the strong belief which Andre Kole has, which has motivated him to share the gospel in over 50 countries of the world.

Please join us in praying for wisdom and direction in scripting and organizing the interviews and graphics into a captivating documentary. Also pray for the funding we need for the project so it can progress rapidly.
